- No. An English option is always available among those modules the students have to choose and add to their study plan
- The study of Italian as a second language is strongly encouraged among the international students

- 12 credits of type D can be gained attending various modules/activities
- These may be chosen among courses of other Departments available in the “piano di studi” (study plan) section in ESSE3.

 - 1) Competence in further language skills (higher than B1)
 - 2) Certification of a training activity carried out both inside and outside the Department (i.e. TOEFL Exam, Teacher trainings, or other courses). These training activities must be pre-approved by the Collegio Didattico

Libretto di : Sara Rossi - [MAT. VR 4061]

Questa pagina visualizza le informazioni relative alle attività didattiche del libretto dello studente.

NEWS IMPORTANTE: Dall'A.A.2014/15 le modalità di compilazione dei questionari sono radicalmente cambiate. In estrema sintesi è cambiato il software di gestione della rilevazione, il focus della valutazione è il docente che eroga l'insegnamento o parte di esso, l'approccio che deve tenere lo studente non è finalizzato alla prenotazione dell'appello fine a se stessa ma alla libera e anonima valutazione ragionata della didattica. Per ulteriori informazioni consultare l'avviso nella sezione "Messaggi personali" nella Home page.
