

COME SCARICARE IL CLIENT ZOOM

Collegarsi all'indirizzo univr.zoom.us -->Download

The screenshot shows a web browser window with the URL <https://univr.zoom.us/>. The page features the University of Verona logo and the text "Sistema di videoconferenza". Below this, there are four blue buttons with white text: "Download", "Sign in", "Join", and "Host". To the right of each button is a corresponding description: "Client Desktop e App", "Accedi a Zoom Web", "Partecipa ad un meeting in corso", and "Inizia un meeting". The background of the page is a scenic view of Verona at dusk, with the Adlon Bridge and the Adige River visible. A "Made with zoom" logo is in the bottom right corner. At the bottom of the browser window, there is a notification bar with the text "Fai di più con Microsoft Edge, il nuovo, velocissimo browser progettato per Windows 10." and two buttons: "Modifica impostazione predefinita" and "Non visualizzare più questo messaggio".

Scegliere Zoom Client for Meetings

The screenshot shows a web browser window with the URL <https://univr.zoom.us/download>. The page header includes the University of Verona logo and navigation links: JOIN A MEETING, HOST A MEETING, SIGN IN, and a blue button labeled SIGN UP, IT'S FREE. The main content area is titled "Download Center" and features a "Download for IT Admin" link. The primary section is "Zoom Client for Meetings", which includes a description: "The web browser client will download automatically when you start or join your first Zoom meeting, and is also available for manual download here." Below this is a blue "Download" button and the text "Version 4.6.7 (18176.0301)". The next section is "Zoom Plugin for Microsoft Outlook", with a description: "The Zoom Plugin for Outlook installs a button on the Microsoft Outlook tool bar to enable you to start or schedule a meeting with one-click." At the bottom, a notification bar from Microsoft Edge is visible, stating: "Fai di più con Microsoft Edge, il nuovo, velocissimo browser progettato per Windows 10." with options to "Modifica impostazione predefinita" and "Non visualizzare più questo messaggio".

Una volta installato il client...

- Lanciare l'applicazione
- Scegliere "**Sign in with SSO**"
- Inserire **univr** come company domain
- Autenticarsi con le proprie **credenziali GIA**
