# FAQ

International Master in  
Linguistics

A.A. 2020/2021

# DO I NEED TO KNOW OTHER LANGUAGES BESIDES ENGLISH AND MY MOTHER TONGUE?

- No. An English option is always available among those modules the students have to choose and add to their study plan
- The study of Italian as a second language is strongly encouraged among the international students

# I DON'T KNOW ANYTHING ABOUT THE ITALIAN UNIVERSITY SYSTEM. WHO CAN HELP ME?

- The Welcome Office is at your disposal for queries about the university system:

<http://www.univr.it/en/our-services/public/welcome-office>

# WHICH MODULES SHOULD I TAKE? WHICH ONES ARE COMPULSORY?

- If you don't know whether to attend a module or not, first check if it is compulsory or elective at the link below (start with those of the first year):

<http://www.dcuci.univr.it/?ent=pd&cs=697&lang=en>

- Then look on the webpage of the selected module to gather all the information (language of instruction, timetable, syllabus, etc - If you only speak English, no problem: you'll find at least one module taught in English).
- You should also check in which semester or 'semestrino' (half semester) is taught:

<http://www.dcuci.univr.it/?ent=oi&cs=697&lang=en>

- Do not hesitate to contact the junior tutors for advice on your study plan!

# IS IT MANDATORY TO BE PRESENT IN CLASS?

- In general, attendance is not compulsory
- For some modules attendance is strongly advised

# WHAT COURSES CAN I TAKE TO GET THE CFU NEEDED FOR “FURTHER LANGUAGE SKILLS”?

- You can take Italian as L2, German, Spanish, French and English at the Center for Foreign Languages (CLA)
- Credits can be obtained starting from the B1 level (I.E. 3 CFU for a B1 and further 3 CFU for the B2)
- For Italian students coming from the Department of Foreign languages and literatures it is not possible to obtain credits with the language certificates that were compulsory in their bachelor's courses.

# WHAT ABOUT THE CREDITS DEDICATED TO “ACTIVITIES TO BE CHOSEN BY THE STUDENTS”?

- 12 credits of type D can be gained attending various modules/activities
- These may be chosen among courses of other Departments available in the “piano di studi” (study plan) section in ESSE3.
- Otherwise, up to 6 of these D credits may be obtained through:
  - 1) Competence in further language skills (higher than B1)
  - 2) Certification of a training activity carried out both inside and outside the Department (i.e. TOEFL Exam, Teacher trainings, or other courses). These training activities must be pre-approved by the Collegio Didattico

# **WHEN AND HOW SHOULD I APPLY FOR THE EXAMS? IS THERE A DEADLINE FOR THE EXAM REGISTRATION?**

- You have to apply after completion of the course
- Before you can sign up you must complete a questionnaire about the course
- Questionnaire and registration for the exams can be done using ESSE3
- The deadline for registration is indicated for each exam. You are also allowed to cancel your registration

# ARE BOOKS AND EXAMS ALL IN ENGLISH?

- Bibliographic references and exams are in English for the compulsory courses
- In this degree program there are also modules on other languages: Italian (History of the Italian Language), French (French Linguistics), Spanish (Spanish Linguistics). For these modules, materials and exams could be in the respective languages...
- but: German and Russian Linguistics are taught in English.
- Also the Philology exams are taught in English (with the exception of Romance philology which is taught in Italian).

# WHAT IS AN “APPELLO”?

- It's the exam itself. It can be oral or written or both
- The sessions of exams are 3 per academic year (Winter Session → January and February, Summer Session → June and July, Autumn Session → September)
- Each session has 2 ‘appelli’ for each course (two opportunities to take the exam)
- Therefore, you have 6 overall chances per year to pass the exam of a course

# HOW CAN I FIND OUT THE RESULTS OF MY EXAMS?

- Total Points (written/oral): **30**
- Minimum to pass: **18**
- For oral exams: grade communicated to the student
- For written exams:
  - e-learning (Moodle) platform
  - e-mail
- If you are not satisfied with your grade you have to inform the professor about it after the results are published and you may re take the exam

# WHO COULD I TALK TO IF I HAD QUESTIONS ABOUT MY SCHOLARSHIP?

- You may write to the International Office at [admissions@ateneo.univr.it](mailto:admissions@ateneo.univr.it) or you can send a request at <https://helpdesk.univr.it/CAisd/pdmweb.exe?SID=1684159910+FID=1+OP=LOGOUT> using your credentials to log in.

# HOW CAN I FIND THE STUDY MATERIALS FOR THE COURSES I HAVE TAKEN?

- Study materials are indicated on the webpage of each module.
- For most modules, materials are:
  - 1) Available at one of the University libraries
  - 2) Made available by the teacher through the e-learning platform (Moodle) on **MYUNIVR**

Libretto di : Sara Rossi - [MAT. VR 4061]

Questa pagina visualizza le informazioni relative alle attività didattiche del libretto dello studente.

NEWS IMPORTANTE: Dall'A.A.2014/15 le modalità di compilazione dei questionari sono radicalmente cambiate. In estrema sintesi è cambiato il software di gestione della rilevazione, il focus della valutazione è il docente che eroga l'insegnamento o parte di esso, l'approccio che deve tenere lo studente non è finalizzato alla prenotazione dell'appello fine a se stessa ma alla libera e anonima valutazione ragionata della didattica. Per ulteriori informazioni consultare l'avviso nella sezione "Messaggi personali" nella Home page.
